GP Series Rules and Notes

As in 2017 it will be the best 6 scoring races out of the 20 races to count. There is no obligation to take part in any of the races should you not wish to. There is at least one race over the 'classic' distances: 5K; 5 Miles; 10K; 10 Miles; and Half Marathon.

There is a new feature for the 2018 GP Series. Runners will be able to nominate one 'joker' race that isn't on the calendar to be included in their results and, depending on the score, included in their best of six to count.

The event nominated for a joker can be any road race in the world with a certificate of accuracy. This may well include a marathon, which is a distance notably omitted from the GP Series.

The event chosen to be your 'joker race' must be nominated at least 24 hours in advance of the race taking place. You aren't able to retrospectively nominate a race you took part in, so choose carefully!
